

Terms and Conditions for New Body New Me

New Body New Me is an online medical weight loss clinic dedicated to providing personalized solutions for weight management.

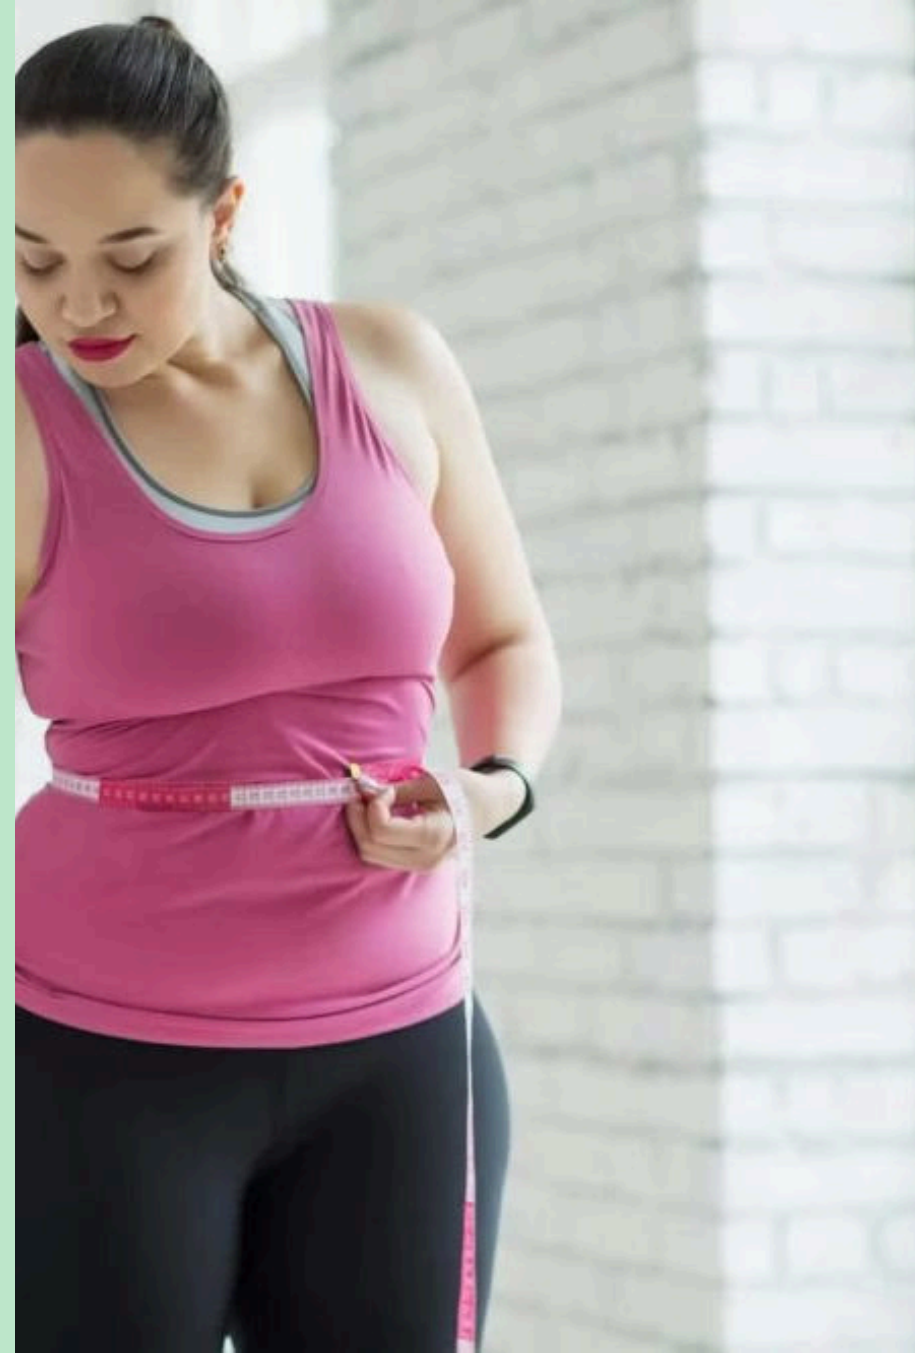

Services provided by New Body New Me

- Online consultations with experienced medical professionals
- Monthly evaluation and prescription refill for weight loss medications
- Monthly review of progress report to monitor weight loss progress

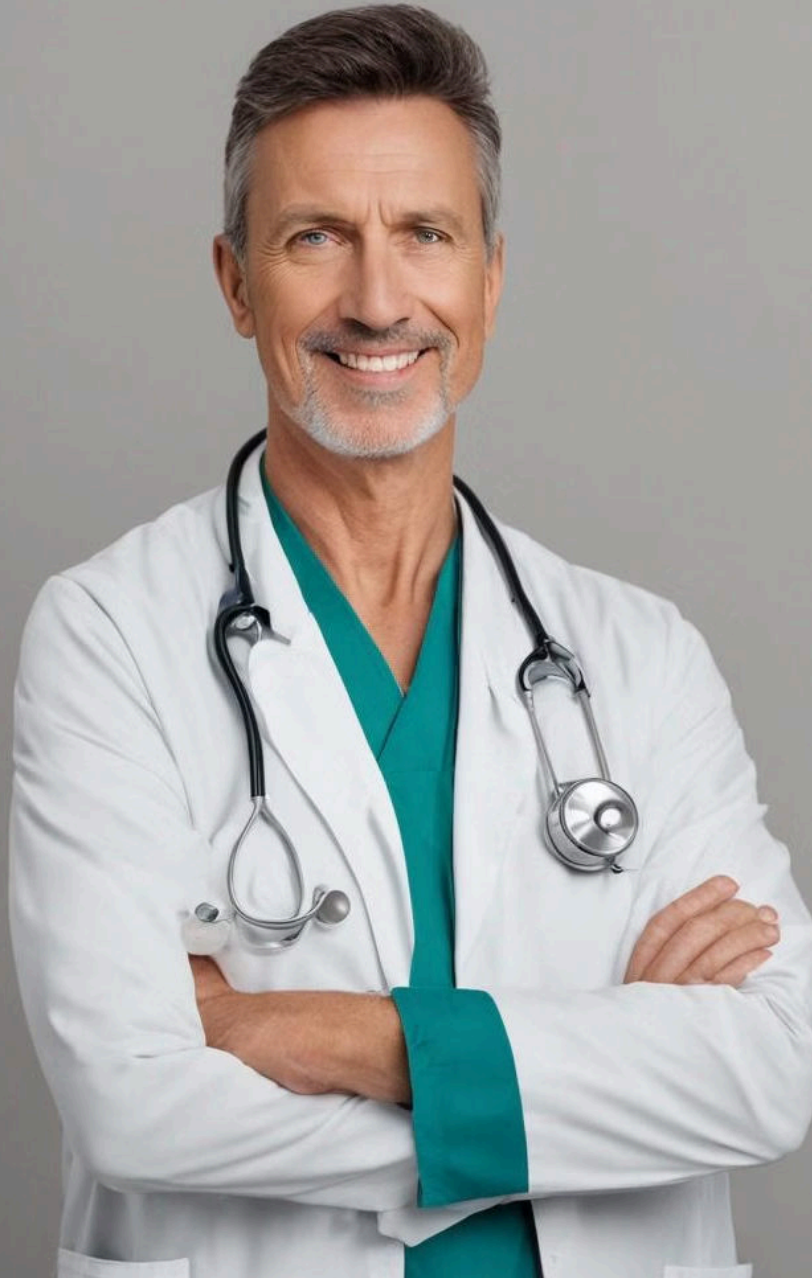

Eligibility and Requirements for Clients

To be eligible for New Body New Me's services, clients must be over 18 years old and have a BMI of 25 or higher. They must also have access to reliable internet for virtual consultations and be willing to accurately fill out monthly progress reports for review by the doctor.

Payment and Fees

All payments are out of pocket with credit or debit card, not covered by insurance and are non refundable. There are no monthly subscriptions and all payments are due upon receipt of invoice via email. Fees are transparent and vary based on the chosen program's duration and features.

Privacy and Confidentiality

All client data and discussions are strictly confidential. New Body New Me follows HIPAA compliance and ensures that personal information is protected at all times.

Cancellation and Refund Policy

Clients can decide to discontinue services at any time without incurring any fee or penalty. All payments made are non refundable after doctor has rendered any type of service, correspondence or consultation. Clients who return for services after a year of no follow up will be signed up as new patients and will require an intake and new client consultation with the doctor.

Disclaimer and Limitations of Liability

NewBody NewMe offers weight loss information and services, but clients are responsible for their own health and wellness outcomes should they decide to join our weight loss program. The clinic is not liable for outcomes resulting from clients choices and actions. Different clients may respond differently to the same medications and weight loss outcomes may differ.

Sign up in 3 simple steps

1. Call to schedule online/zoom intake consultation
2. Get your medications mailed to you from the pharmacy
3. Start your weight loss journey and strive to live your best life NOW!!!
